**In signing this application we understand that no campsite is guaranteed for the week our troop is submitting registration for at this time. We understand that registration numbers change for troops from fall to spring, thus creating numbers that can not be physically accommodated in the site reserved. This would justify the camp administration shifting troops within that week. We also understand that Camp Squanto will make every reasonable effort to accommodate our reservation preference and does not intend to disrupt any troop's reservation without just cause. We agree to pay and follow the deposit schedule as listed below. We will provide a minimum of two adult leaders for this period.

In signing this application our troop agrees to the terms of the Camp Squanto reservation form.
